

The Kingsbrooke Sea Lions is now accepting sponsorships and/or donations from local businesses for the 2010 summer swim season. Contributions and sponsorships help to fund swim team activities and awards, purchase equipment and pay coaches salaries. All sponsorship proceeds and donations support the Sea Lions in its efforts to develop young competitive swimmers and provide a fun, wholesome summer activity for every member of the family. Being a swim team sponsor is an inexpensive form of advertising as well as an excellent civic gesture.

Located off of Linton Hall Road in Bristow, Virginia, Kingsbrooke is an established community of approximately 1000 homes. Every summer the Sea Lions provide swimming opportunities for over 350 competitive and developmental swimmers from our community and surrounding neighborhoods.

The Sea Lions welcome all swimmers regardless of skill level from ages eighteen years and younger. We compete in the Blue division of the Prince William Swim League (PWSL), which consists of 24 teams and 4000 swimmers throughout Prince William County. The season starts after Memorial Day Weekend and concludes the last week of July. There are six dual meets followed by a Divisional Championship, with attendance typically exceeding 750 people per event.

[www.kbsealions.com](http://www.kbsealions.com) is the lifeline of communication for the team and its supporters. It has also become a point of reference for many teams across the league and averages 60,000 hits per month. We are confident that our sponsors will receive a great deal of exposure to area residents.

Our team operates on a very modest budget managed entirely by parent volunteers. We receive most of our funding from participation fees and fundraising projects. Having sponsors allows us to keep our fees competitive. And our swim meets could not take place without our dedicated parents.

Your generous contribution will help us encourage teamwork, promote good sportsmanship, improve swimming skills and strengthen our community spirit.

Thank you for your support of the Kingsbrooke Sea Lions.
